All Cubic Yards Are Approximate

Tractor Trailer Loads & Online Ordering Available

Follow us:

*A cubic yard is equal to 1.3 tons.  
 Yard Works does not guarantee a desirable tailgate spread result.  
 Additional charges apply for deliveries over 20 miles and for split-dumping.*

**www.yardworksva.com**

**Designer Colored Mulches**

*(Brown, Black, Bright Red, Auburn)  
Long lasting fade resistant designer mulches enhance your landscape with a FULL SEASON OF COLOR.  
Designer colored mulches must be given a minimum of 12-24 hours without rain or irrigation to ensure the highest quality of our designer products.*

**\$37.95 Cu. Yd.**

**Premium Hardwood Bark**

*A blend of Virginia's finest hardwood bark ground to a fine consistent texture, aged to a rich dark color.*

**\$33.95 Cu. Yd.**

**Natural Hardwood Mulch**

*A natural blend of Virginia's finest hardwood products ground together to create a less expensive more durable mulch.*

**\$27.95 Cu. Yd.**

**Soft One Yardplay® Deluxe (IPEMA Certified)**

*A premium uniform playground mulch that meets all requirements for compliance with safety & accessibility standards.*

**\$39.95 Cu. Yd.**

**Mulch Delivery Fees**

3 to 9 Yards ————— \$50.00  
10 to 20 Yards ————— \$35.00

(1 cubic yard will cover an 8'x10' or 80 sq. ft. area approximately 4" thick)  
(Length' x Width' x Depth"=?÷324=cubic yards needed)

**Yard Works Screened Topsoil**

*Contractor grade screened natural topsoil. Our topsoil is harvested from the outermost layer of soil where the highest level of organic matter and microorganisms are concentrated.*

**\$33.95 Cu. Yd.**

**Yard Works Master Blend Turf Mix**

*A special blend, highly recommended to help stimulate root growth in turf and ground cover planting.*

**\$35.95 Cu. Yd.**

**Yard Works Master Blend Bed Mix**

*A special blend, formulated to deliver a steady supply of nutrients to stimulate soil fertility, moisture retention, and produce vigorous healthy plants.*

**\$37.95 Cu. Yd.**

**Yard Works Organic Growing Media**

*A complete balanced growing media, derived from composted leaves and green waste. Excellent for top dressing and soil amendment.*

**\$40.95 Cu. Yd.**

**McGill SoilBuilder**

*A Premium compost that rebuilds poor soil by increasing organic matter, replenishing soil microbes and improving water management. Ideally suited for use as a top dress or for working into your garden beds as a soil amendment.*

**\$45.95 Cu. Yd.**

**Yard Works Custom Blend Mixes**

*Designed for Bio-Filter, Sports Turf & Specialty Soil Applications.  
Yard Works can produce soils to your exact specifications.
